MAIN OFFICE

Our three secretaries play an important part in our school life.

We the students of South High School would like to say "Thank you for a job well done."

OUR ASSISTANT PRINCIPALS

Mrs. Hooks is a very outstanding person.

This is her third consecutive year as Assistant Principal.

She is involved with the everyday problems of the juniors and seniors. She has the answer to almost every question or problem, very seldom is she lost for words.

Her door is always open to the student body at South High school.

Mr. Grinnen is a new addition to South High School this year.

He is involved with the sophomores everyday problems.

His job, just like others is a very important one, but since he's new and takes care of the sophomores problems himself, he's up to his neck.

Mr. Grinnen's door is always open to the student body also.

CAFETERIA WORKERS

The cafeteria is not just a place to grab something to eat. It's also the place to get the latest gossip.

The ladies in our cafeteria help us to forget the hard work in our schedules for a while. They help us to enjoy some of the good food and conversation.

They put in a hards day work, but they always have time for a smile.

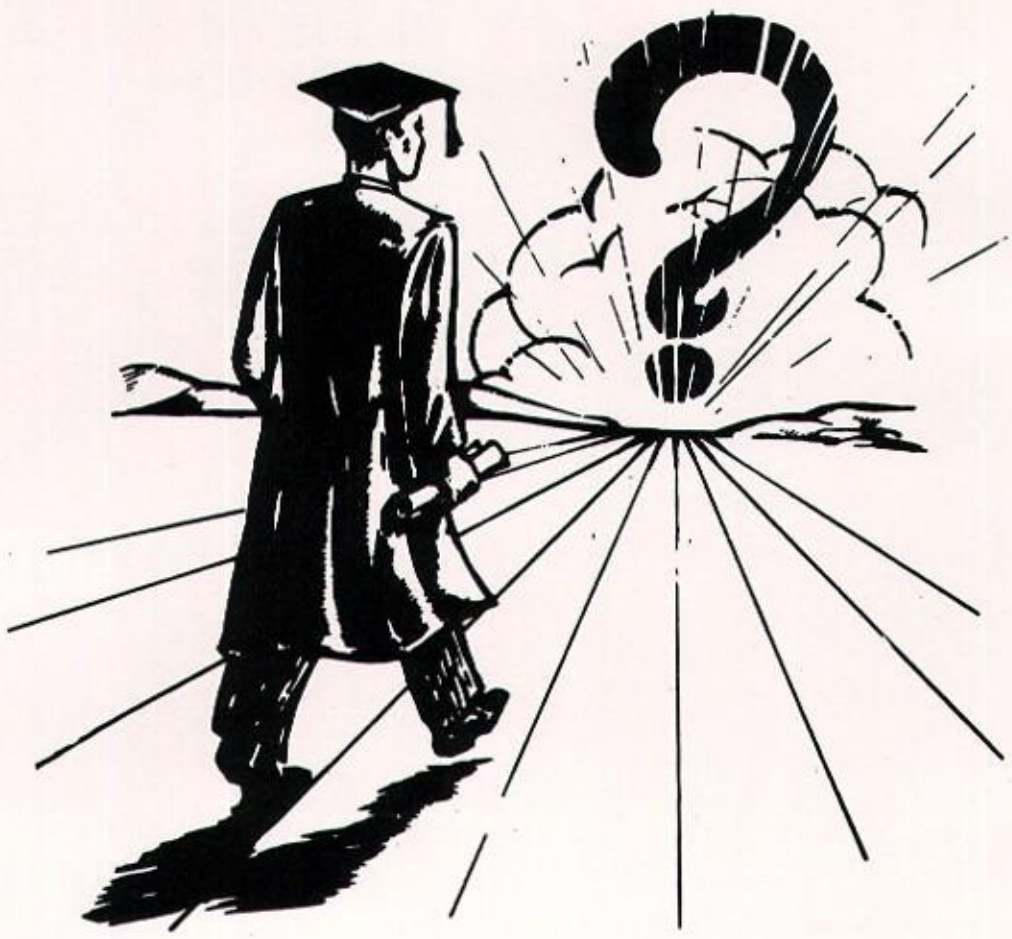
The Voice Staff has really been South's major solicitor of the happenings throughout the school. The Voice Staff has really hit on some fine topics that brought joy to some and advice for others. Thank You for a job well done.

WE'VE ONLY JUST BEGUN



We entered South in '72
To see what we could see,
And walking through its stately door,
A humble lot were we.

We lived the year in ecstasy
Our dreams had all come true-
And when diplomas set us free,
We bade a sad, "Adieu".
